Association called to order by Moderator; Minutes of yesterday read and adopted.

Rev. R. Y. Wood and W. A. Bishop, from Mt. Pleasant Church, were received as delegates from said Church. Bro. M. Y. Jenkins, from Mulbery Association was received as Corresponding Messenger from said Association.

Committee on State Missions being ready made the following report, which was received and discussed by Brethren R. Y. Wood and W. B. Crumpton. Pending the discussion of the report the hour of preaching arrived, when Rev. A. C. Davidson delivered us a very instructive message from Hebrew's, 2nd chapter 14th and 15th verses, after which a collection was taken up for missions and the sum of \$10.85 received; the Association now adjourned for dinner.

#### AFTERNOON SESSION.

Association called to order by Moderator. Prayer offered by Bro. W. A. Bishop. The State Mission report was again resumed and concurred in during the pending of S. M. R. The Colporteur fund received to the amount of \$100.

#### STATE MISSIONS.

The management of the Missionary work of the State among

the white and colored people; the Sunday School work; the prosecution of Bible colportage work; raising funds for Home and Foreign Boards of the Southern Baptist Convention; for indigent ministers, and the widows and orphans of deceased ministers whose families need aid. These are the heavy duties imposed on your State Mission Board.

How important is this work! How necessary to the success of our cause! and how gratifying are the results reported by the Secretary of the Board! An advance in the number of men employed, in the number of sermons and addresses, the number of in the number of religious visits, and in the number of additions to the church—fifty Associations contributing to the work during the year.

Much has been done, but much more remains to be done; and it is the duty of the individuals and of the churches of this Association, to come liberally to the assistance of the Board in continuing the good work, and in extending the cause of State Missions into the new villiages and towns springing up in all parts of our State; into some counties which even now are destitute of Baptist preaching; some \$12,000 are need for the entire State for this work. Our Association is asked to contribute \$781.90 or 28 cts. per member; shall not each one give this small amount? shall we not give the Lord what is needed for the extension of his Kingdom.

R. Y. WOOD, Chairman.

Committee on Foreign and Home Missions being ready to report, made the following, which was recieved and ably discussed by brethren A. C. Davidson, W. A. Bishop and N. H. Thompson and adopted.

### FOREIGN MISSIONS.

We, the committee, beg leave to make the following report.

The last annual report of the Foreign Board gave us cheering news.

The Board received \$80,465.87, an increase of \$23,516.16 over last year's receipt of this amount. Alabama gave contributions amounting to \$3,310.88, and legacies amounting to 4,988.78. The Corresponding Secretary in his annual report says: In view of the increased liberality of our churches a growing missionary spirit in Students for the ministry, the general prosperity and gradual expansion of our mission, and the opening of new fields all over the world, the friends of Foreign Mission should thank God and take courage.

The Board has Missionaries in Mexico, Brazil, Italy, Africa and China.

These Missionaries have native assistants, laboring with them. The number of Missionaries, natives and foreign is 95. There are

Stations and out Stations, 42; the increase of number during the year has been 175; the pupils of Sunday and day schools, 684; the Church membership is 1,141; the contributions in the fields amount to 1,077. The work is expanding signally in each of the five continents in which our Missionaries labor.

The Board expects to go forward, depending on the liberality of the churches, and claiming the Divine promise: Lo I am with you always even to the end of the world.

We are asked to raise this year for Foreign Missions \$5,000. We can secure every dollar of this amount if we will go about it earnestly and prayerfully. Let the monthly concert of prayer for missions be observed in all our churches, let our pastors preach oftener on the subject of missions, and let earnest efforts be made to put the Foreign Journal in every Baptist family, and the amount asked for this board and for the Home and State Boards, will be forth-coming.

Respectfully submitted,  
N. H. THOMPSON, Chairman.

### HOME MISSIONS.

Your committee on Home Missions rejoices to report that the cause of the Blessed Redeemer is now prosperous as never before. The news is cheering from every direction, success has crowned the labors of the evangelists and they have rejoiced to see the work of their Lord prosper in their hands.

The number of Missionaries employed last year was 144. In Alabama 2; in California 4; in Louisiana 8; in Mississippi 1; in Missouri 1; in Louisiana 1; in Texas 59; in Territories 19; in Arkansas 12; and in Virginia 8. They report 2,665 additions by Baptism, 1,525 by letter, total 4,190. The success of their various labors was near 500 per cent. over that of the preceeding year, the total amount collected, by the Board was near or about \$23,000; more than ever before.

The Church Building Enterprise is taking strong hold on the minds of the people. It is estimated that there are 1,000 Baptist Churches in the South with houses of worship, and 1,000 other places where churches should be constructed at once, this cause has a claim upon both our heart and hands, our sympathies and our help.

Brethren, past success and future prospects should encourage our hearts and inspire them with the hope and desire of doing for our master. For hear we should aim at great things. It is desired that the Churches of this Association adopt the plan of the Corresponding Secretary of the State Mission Board for City and County Churches in securing contributions for the various enterprises that the denomination is fostering.

Respectfully submitted  
W. A. BISHOP, Chairman.

The Committee on Education being ready, made the following report, which was received and discussed by Brethren A. C. Davidson and J. T. Murfee.

While the report was being discussed, pledges were taken from the various Churches of the Association for Ministerial Education, to respond by the first day of February, 1885, the sum of \$145.

### REPORT ON EDUCATION.

The enlarged Education of our people is beyond question, one of the grand duties that press upon us for immediate consideration. The times make great demands of us. Upon our children will fall, and that very soon, the burdens which we are now bearing, and to have them better filled than we have done ought to be our aim.

As Baptists, we ought not to be satisfied until good Schools, and Academies are opened in all suitable places, and when opened we promise to give them the most cordial sympathy and support.

We are glad to report Howard College and Judson under the management of able and most efficient faculties, have had fine openings and are prospering, these are our institutions; and we look to them with great pride and joy. They are in great need of endowment and we would earnestly commend to all the opportunity of perpetually rendering services to the Redeemer's cause by giving of our money while we are alive and leaving a part of estates as a contribution toward this endowment. We are glad also to note the rising interest in Ministerial Education, and rejoice to report that a number of young men are now at Howard College pursuing their studies, and others are anxious to come. These are godly and earnest young men some of them are in need of help to assist them there and have been encouraged to come to College, looking for aid from us. Let us not disappoint them. Any funds contributed should be sent to T. L. Huggens, Birmingham, Ala.

Respectfully submitted,

A. C. DAVIDSON, Chairman.

Moved that we now adjourn until 10 o'clock to-morrow morning.

THURSDAY, 10 A. M.

Association called to order by Moderator, minutes of preceding day read and adopted.

Committees on Sabbath School being ready made the following report which was received and discussed by brethren W. B. Crumpton and S. M. Adams.

### REPORT ON SABBATH SCHOOLS.

We, your committee submit the following: We notice that at the last session of this association, 1883, there were fourteen Sabbath Schools reported with 600 scholars and at present session we find but few Churches report Sabbath Schools. Your committee

would recommend "Kind Words", published by S. Boykin, Macon, Ga., and the publications of the "American Baptist Society". There are other cheap and unsound periodicals: Such as David C. Cooks. Brethren let us watch with a zealous eye literature that is flooding our country, poisoning the minds of our children and gradually compromising in the minds of our young people the word of eternal truth, let us dear Brethren as Baptists use our own literature, and we would urge upon the Churches of this Association to continue the Sabbath School work, and make a full report of the work done in each school every year to the Association.

Respectfully submitted,

A. M. ADAMS, Chairman.

Moved that Bro. D. S. Hogue be elected Treasurer of this Association by acclamation which was carried; he was then declared Treasurer of this Association.

Committee on Temperance being ready, made the following report which was received and discussed by Brethren W. B. Crumpton, S. M. Adams. R. Y. Wood, R. P. McCullough and J. T. Murfee and concurred in.

### REPORT ON TEMPERANCE.

The Association meets this year in a county where the blessings of Prohibition are seen and felt. We are gratified to report that the sentiment in favor of Prohibition is rapidly gaining in our State. We recommend that the members of our Churches do all in their power to have the sale of intoxicating liquors in our country, especially are we anxious to see this accomplished in the neighborhood of Marion, where the sons and daughters of Baptists are Educated. It is sad to know that a place of so much importance, having once had the law, allowed its repeal, we hope to see the law prevail in all our land.

Respectfully submitted,

W. B. CRUMPTON, Chairman.

Moved and carried that the time of Preaching be extended until 11½ o'clock.

*Resolved:* That Bro. J. T. Murfee be appointed a committee of one to draft Resolutions expressive of our bereavement in the death of Bro. E. T. Winkler.

*Resolved:* That Bro. W. A. Bishop be appointed a committee of one to draft resolutions of condolence of the death of Bro. J. S. Ford and the same be forwarded to the Clerk and spread on the minutes.

Committee on Superannuated Ministers made the following report which was received and concurred in: moved and carried that \$38 heretofore collected and now in Savings Bank at Marion be applied for that purpose.

## REPORT :

We find that there are now no indigent ministers in the bounds of this Association. But Sister Nancy Sumers, widow of Rev. John E. Sumers, who resides in the Western portion of Bibb Co., Ala., is without means of support, save that rendered by her relatives and friends, and we recommend that some provision be made for her. Your committee is informed that a balance of \$38 is deposited with the Savings Bank at Marion, Perry county, Ala., to the credit of this Association for indigent ministers within the limits of this Association; we suggest that some steps be taken by which this Association may utilize this fund. The matter of relief for aged and infirm ministers and their widows and orphans have been by the State Convention, turned over to the State Board. Then over twenty-five brethren and Sisters, who came under this head who are on the roll of the State Board and during last year five hundred dollars was distributed among these and the State Board ask this year the sum of one thousand dollars and your committee recommend that this Association take steps to raise a fund for this purpose, all of which is.

Respectfully submitted,

J. W. SUTTLES, Chairman.

Committee on finance made report which was concurred in.

Committee on Nominations made the following report which was adopted:

J. T. MURFEE, Moderator.

J. P. HARRIS, Clerk.

REV E. T. WINKLER, D. D., LL. D.,

Was descended from a line of noble ancestors—heroes in the war of the revolution—his grand father an officer of Marion's command. Our deceased brother was a prince among men, and a prince in Israel. In manner, courtly and dignified, his countenance beaming with gentleness, benevolence, and heroism, he appeared in outward form, what he was in reality—one of the best and greatest of men.

His intellect was by nature created one of the highest order, correct in judgment, powerful in reason, retentive in memory, brilliant in imagination, and eloquent in speech; and these natural powers were improved by training in the best American institutions and by most extraordinary self-culture, extending through a long life of studious habits.

Possessing every element of noble manhood and towering intellect, had he chosen law for his profession, fortune and national honors, would have been his. In politics, he would have worn the crown of statesmanship. In any profession, his was the place of highest honor and usefulness.

Led by the Holy Spirit to serve his Master in the pulpit, he surrendered all for his Saviour; and even though tempted often to accept more lucrative and less laborious places, he felt constrained, by his high sense of duty, to advocate the cause of Christ day by day and week by week in the house of God. He loved no place so well as he did the sanctuary of the Lord. Even in his last physical prostration, when unable to walk the short distance to his church and too feeble to ascend the steps of his pulpit unassisted, he begged to be carried, and there he delivered his last sermon,—speaking to the people whom he so well loved and who so loved him,—speaking with a countenance beaming as with holy presence, and uttering words of sacred pathos.

A character such as his is rarely seen. With a courage that feared no danger and quailed in no presence, and with a sensibility which felt injustice most keenly, he possessed a meekness like unto his Saviour, and forgave every injury. His Lord's sermon on the mount seemed to be the law unto his life—meek, merciful, a peacemaker, pure in heart, hungering and thirsting after righteousness. He was lofty but humble; dignified but simple; brave but tender.

Shall not the memory of this godly man be an inspiration to our lives? Consider how great one may be if he takes Christ for his model.
